**Children's Museum!**

# Let us be your classroom!

A field trip to your **Mid-Michigan Children's Museum** will help your students apply classroom concepts to real-world museum adventures.

Kiddos will explore, learn, and create in an environment dedicated to supporting your teaching with hands-on experiences. And if you can't come to us, we offer many of our in-house lessons as travelling extension lessons.

# Make memories while you learn!

We are open for field trips Tuesday through Saturday from 10 a.m. to 5 p.m., but we understand that sometimes you need a little flexibility. If necessary, we can open as early as 9 a.m. for your group. Our reception team is happy to help you coordinate the best date and time, so you have a great experience with your students.

Our engaging, hands-on programs utilize our galleries and address the Michigan Grade Level Content Expectations and Common Core State Standards for children up to 10 years of age. If you have any questions on how you can meet classroom standards in our galleries, contact us at **[playeducator@michildrensmuseum.com](mailto:playeducator@michildrensmuseum.com)**.
