# Come play with us!

Rekindle your inner child, use your unique skills and talents, and support the power of play by becoming a **Mid-Michigan Children's Museum** volunteer.

We have volunteer opportunities available for a wide variety of ages and abilities – whether you are a student, educator or grandparent. We can customize your experience to the amount of time you have to share with us and the type of work you'd most enjoy.

**Student Volunteers** – Are you 15\* or older? Great! Join us as a teen gallery guide! You can assist with keeping our galleries ready for visitors, face painting, fun activities, birthday parties and more.

**Adult Volunteers** – Give back and have fun at the same time! We rely on adult volunteers to help us with special events, exhibit repairs, office tasks and directing educational play in the galleries. Let us know how you would like to help and we will match you to a rewarding volunteer experience.

**Educator Volunteers** – Help us put the “Learn” in *Play and Learn*! Our team of volunteer educators assist with our field trips, school extension programs, Toddler Time and day camps. Join us and use your expertise to support children as they use their curiosity and creativity to learn about the world.

**Business and Group Volunteers** – Strengthen your teamwork skills and give back to your community in a fun and memorable volunteer experience. We have many one-day projects and special events that could use your help!

\*We make age exceptions for some special events (like parades!) and on a case-by-case basis. Contact our volunteer coordinator for more information.
